La Chute Runners Spring, 2021

Challenges

So far, we have completed 13 challenges, some with multiple aspects! The more recent ones would be the Super Bowl Challenges and the Joe Cain 5k. Of course, the Pi Day Challenge is underway.

Claude is thinking of a one day challenge, on March 17th. It relates to someone named Patrick. This Patrick had a fondness for, and a way with dogs. (He really didn't like snakes!) Summer might be interested in this challenge!

Speaking of dates, April 1st and its related associations might be the source of a new challenge. If you can think of possibilities, just email, we will see if Claude can work it into an interesting event.

Also, how about the date April 15th, can anyone think of a taxing challenge?

How about June? Here is a link to the Fundays June Calendar:

There is a following page and that reviews activity for 2021.

For a new site, we have some interesting referring links and the site has been discovered by other countries as well.
