The Montcalm Mile was evaluated.

The race went very smoothly and was very successful. Everyone enjoyed the race.
-The expenses and income were presented.
- The t-shirts came out beautifully, There may be a few changes to sizes ordered for next year.
-Tim will order awards for next year - maybe medals with the Montcalm Mile on them.
- The Club will donate $250 to The Best 4th Committee, Pride, The Backpack program, and the K of C. Tim will talk to Matt at the Chamber about arranging a photo op for the presentations.
-It would be nice to have the road stenciled for the race - Maybe Dave Burrows will be able to arrange this.
-Tim will approach Stewart's about ice cream certificates.
- Traffic flow went well for the race.
- There was only one issue - with two guys who jumped into the race ahead of the front runners with political signs. Tim knows who they are and will speak to them.

The next event will be the RRRR.
