LA CHUTE RUNNERS

Montcalm Mile

This year's race was fast, furious, and fun! It also was a reunion. Runners returned to the area, some of them from afar and some of them many decades absent. Those numbers were exceeded by the very young and very fast! Race statics tell the story!

First of are there are the numbers; a total of 322 runners ran the race. If you wish to check out many other the details, one can access this link. (One may have to establish an account.)

Fifty six runners successfully got under 6 minutes, and 92 runners got under 7 minutes! Runners came to race!

Here is some information relating to the numbers of runners in age groups. In the 1 to 12 year old age group in the girls' division, there were 42 runners, and in the boys' division, there were 47 runners. Also in the 13 to 17 girls' age group there were 21 runners and in the boys' division, there were 27 runners. Young runners were well represented. One can go online and examine additional information. One can also find one's picture of the their finish line finish.
