Nicole reported on the Color Run. It was extremely well received this year and they have scheduled the 2nd. Color Run for June 6th, the first Sat. in June. It will follow the same course as last year and should be even a bigger event! There will be more food trucks, vendors and probably more kids as those who ran this year had so much fun they will bring their friends. The La Chute will register the race and provide insurance.

Cam was not able to attend the meeting but sent thanks to all who helped with the Bridge Run. It was very successful! The runners enjoyed the course and the event so next year should be even bigger. She is tentatively scheduling the race for Sept. 19, 2026. The plan for next year's event is have Adirondack Coast Events take care of timing and scoring the event.

The Rogers Rangers Ramble Run will be held on Oct. 29th at 10:30 at the Ticonderoga Country Club. There will be a 5K run and a 2 mile walk. Participants will be asked to bring a donation of food or money for the local food pantry. Runners under 18 will run free but must sign up for the club /waiver. Tim is trying to get the Pro Shop as a registration site. Jim will get Proof of Insurance to Tim - with the name Mike Stitt on the paper. Tim will mark the course. Prizes for top male and female will be $25.
The Rogers Rangers Ramble Run is an excellent place to renew club membership for 2026! To make it more convenient, the race application and the club Join/Renewal PDF are combined into one document. The entry fee covers both. Oh, after the race competitors are invited to the House of Pizza for a lunch compliments of the club.

There was some discussion pertaining to the Montcalm Mile. For instance, donations from the Montcalm Mile will be given to various groups.

Mike Quinn is the first member to join for 2026! He will have his pick of jobs for the year. His limited to only 6 club positions!
