La Chute Runners Spring 2026

Spring

Spring? It will happen!

When it does, what is coming up? For one thing is the “Walls between Water Color Run!” will be held. That will be happening on June 6th. Here is a link to that event:
https://lachuterunners.wordpress.com/color-run/

This will be the second year of that event. Last year the race was very successful and well attended. The race started near the library and finished in front of the North Country Rural Development building. Not to worry! You can do as manny loops on the course as you chose. Plenty of color will be available!

The North Country Rural Development is spearheading this event in conjunction with the La Chute Runners.

Along with the run, there will be plenty of other happenings. Here are some of the event details: There will be a Makers Market wherein items created will be displayed, there will be a multitude of activities, for kids, food trucks will be present, new murals will be on display, and live music to close out the day.

Information about the festival can be found at the link below:
https://essexcountylandbank.org/walls-between-waters/

This will be another incredible day celebrating art, music, food, and community in Downtown Ticonderoga!

A Month Later

Yes, a month later, on July 4th, we will be hosting our Montcalm Mile!

This will be the 40th. year of racing! Believe it or not, 40!

Here is a link to that race, of course, registration at the moment is “pending.”

Fort Ticonderoga announced commemoration of the 250th anniversary of the American Revolution.

The Montcalm Mile will also commemorate that event.
